

POWER OF ATTORNEY

[Company's full legal name as on the trade licence], a [legal form, for example limited liability company] licensed in [emirate / free zone] under the trade licence [number], having its address at [address] (the "Company"), represented by [signatory's full name as in passport], [nationality], passport number [number], Emirates ID number [number], in [his / her] capacity as [manager / partner / director] under [the memorandum of association dated (date) / the resolution dated (date)], appoints:

[Agent's full name as in passport], [nationality], passport number [number], Emirates ID number [number],

as the Company's attorney, to act in its name in the following matters only:

1. To apply for, renew and amend the Company's trade licence before [name of the licensing authority], and to sign the related forms and pay the fees.
2. To apply for, renew and cancel residence visas and work permits for the Company's employees, and to sign the related forms.
3. To sign and renew the tenancy contract for the Company's premises at [address].
4. To receive documents, correspondence and goods addressed to the Company.

The attorney may not sell, mortgage or transfer any asset of the Company, borrow in its name, or appoint another attorney, unless written here.

This power of attorney is valid from [date] until [date], unless revoked earlier by the Company in writing.

For and on behalf of the Company: _____ [Company stamp]

Name and capacity of signatory: [name], [capacity]

[Notary's certificate and seal]
